

Koheroa Bypass

(Map 032)

Northern Start	Junction of McIntyre and Kellyville Rds
Southern End	Skeet Rd, Mercer
Distance	5km
Time	1hr
Tramping Standard	Road margin

Route

From McIntyre Road, turn left into Kellyville Road. The road climbs steeply then flattens out through to the junction with Koheroa Road. Koheroa Road is reasonably busy, so be careful, but has a footpath for the last 1.5km into Mercer Township. Skeet Road, which is the next track south, turns off Koheroa Road about 200m before the Mercer Overbridge, but if you're after a drink and a meal, keep going past Skeet Road, over SH1 on the overbridge and down into Mercer.

Other Information

Potential Hazards

- Vehicles on road or track

Amenities (Start)

- No amenities
