

## Puhoi to Wenderholm Walk

(Map 025)

<b>Northern Start</b>	Puhoi Village
<b>Southern End</b>	Wenderholm Regional Park
<b>Distance</b>	
<b>Tramping Standard</b>	Road margin

### Route

Should tides not suit, or you don't wish to pay for kayaking from Puhoi to Wenderholm - it can be walked however is on the side of SH1 which can be very busy. We recommend kayaking as it is much safer than walking these busy roads. Extreme care should be taken, and if you have a hi-viz vest and/or pack cover we recommend wearing it.

From the Puhoi Domain, turn left/east and walk 1200m to SH1.

Cross SH1 **with extreme caution** as cars are travelling at 80-100km/h and proceed south walking as far off the road shoulder as you can, on the far side of the barrier fence where this is possible.

Continue 2km and take the "offramp" towards Wenderholm/Waiwera as signposted, then continue east a further 2.75km to the entry to Wenderholm Regional Park (Schischka Rd).

It is 1km down the driveway to the start of the next route.

### Other Information
